THE LORDS PRAYER

Mt 6:9 After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. 10 Thy kingdom come. Thy will be done in earth, as it is in heaven. 11 Give us this day our daily bread. 12 And forgive us our debts, as we forgive our debtors. 13 And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

The Lord's prayer is not a kid's prayer, Jesus was not speaking to children when he said this is the way you pray.

He was speaking to grown people. The Lord's Prayer is structured to remind us that You have a father who is in heaven and that he is a Holy God and He wants His children to be holy also.

The Lord's prayer serves to remind us that the Kingdom of God is coming and we are not to be satisfied with this present world, we are told to pray thy Kingdom come and they will be done.

Thy will be done, reminds us that we are to called to do the will of the Father and that requires obedience to his word. We are reminded that obedience is a requirement in order to enter the kingdom

of God.

Gives us this day our daily bread, to us in the United States there is an abundance of bread why should we pray give us this day our daily bread. The prayer is to remind you that God is your source its not you job your intellect or your strength. That blesses you but its your source when people forget that God is their source they start leaning to their own understanding and forget about their source who is God.

Forgive us our debts, when you pray this you are reminded that in order to be forgiven you have to forgive. Because if you don't forgive people their debts you will not be forgiven either. Learn to forgive all that have hurt you and learn to love.

Lead us not into temptation, the Lord is not going to tempt the bible says He tempts no one. There is an evil in the world that is out to tempt you, it comes from the Devil who tempts your flesh. The wicked one wants you to be disobedient to God so sin and darkness rule over your life but you can pray don't let me fall into temptation..

For thine is the Kingdom and the Power,
